Draper Hot Air Gun

Draper DIY hot air gun. Features include
- Two heat settings (300°C and 600°C).
- Supplied with 2 nozzles, glass protector nozzle and reflector nozzle.
- One year guarantee.

HG2002 Hot Air Gun

Stock No	Voltage	Power Input	Price
195500	230 V	2000 W	18.90

HG2002 Hot Air Gun Nozzles

Stock No	Description	Price
195501	Glass Protection Nozzle	3.23
195502	Reflector Hook Nozzle	3.63
195503	Scraper Nozzle	3.33
195504	Reduction Nozzle	2.45

Bosch Hot Air Gun

Bosch DIY hot air gun. Features include
- Two air flow and temperature settings (not independent).
- Bosch Thermo-Stop: overload protection via a thermostat that switches off the heater but not the airflow if the machine is overheating.
- Machine can be set upright for stationary working.
- Two year guarantee.

PHG 500-2 Hot Air Gun

Stock No	Voltage	Power Input	Price
199700	230 V	1600 W	23.82

	Air Flow	Temperature
Setting 1	240 l/min	300°C
Setting 2	450 l/min	500°C

Bosch Hot Air Gun

Bosch DIY hot air gun. Features include
- Three air flow and temperature settings (not independent).
- Bosch Thermo-Stop: overload protection via a thermostat that switches off the heater but not the air flow if the machine is overheating.
- Soft-grip handle.
- Machine can be set upright for stationary working.
- Two year guarantee.

PHG 600-3 Hot Air Gun

Stock No	Voltage	Power Input	Price
199710	230 V	1800 W	32.33

	Air Flow	Temperature
Setting 1	250 l/min	50°C
Setting 2	350 l/min	400°C
Setting 3	500 l/min	600°C

Bosch Hot Air Gun

Industrial quality hot air gun. Features include
- Air flow and temperature can be set independently.
- Infinitely variable temperature control.
- Feedback system monitors and controls temperature electronically to ensure accurate working temperatures.
- Heat protection shield can be removed for work in narrow spaces.
- Integral supports for stable bench-mounted use.
- Comprehensive range of accessories available.
- Three year guarantee if purchase registered on-line.

GHG 600CE Hot Air Gun

Stock No	Voltage	Power Input	Price
199711	110 V	1400 W	82.80
199712	230 V	2000 W	82.80

Temperature	100 - 600°C
Air Flow	350 - 550 l/min

Bosch Hot Air Gun

Industrial quality hot air gun. Features include
- Air flow and temperature can be set independently.
- Feedback system monitors and controls temperature electronically to ensure accurate working temperatures.
- Four combined settings of air flow and temperature can be stored in memory for instant selection.
- LCD temperature display.
- Bosch Thermo-Stop: unique overload protection.
- Soft-grip handle.
- Dirt filter can be removed for cleaning.
- Cold setting available for cooling heating element.
- Supplied with 50 mm wide slot nozzle and 75 mm glass protection nozzle.
- Three year guarantee if purchase registered on-line.
- Supplied in carry case.

GHG 600LCD Hot Air Gun

Stock No	Voltage	Power Input	Price
199715	110 V	1400 W	97.00
199720	230 V	2300 W	97.00

Temperature	50 - 650°C
Air Flow	250 - 500 l/min

Bosch Hot Air Gun Nozzles

A range of standard nozzles suitable for all Bosch hot air guns.

Stock No	Description	Price
199721	50 mm Wide Slot Nozzle	11.81
199722	75 mm Wide Slot Nozzle	6.99
199723	50 mm Glass Protection Nozzle	11.81
199724	75 mm Glass Protection Nozzle	6.99
199725	Reflector Hook Nozzle	6.99
199726	80 mm Angle Nozzle	11.98
199727	20 mm Reduction Nozzle	6.51
199728	14 mm Reduction Nozzle	6.89

Bosch Hot Air Gun Accessories

Specialist nozzles and accessories, suitable only for Bosch hot air guns with electronic control.

9 mm Reduction Nozzle. Specialist attachment for all 9 mm diameter auxiliary nozzles.

Stock No	Description	Price
199730	9 mm Reduction Nozzle	8.91

Plastic Welding Nozzle. With side channel for feeding plastic welding wire up to 5 mm in diameter. Use in conjunction with 9 mm reduction nozzle.

Stock No	Description	Price
199731	Welding Shoe	14.97

Slot Nozzle. For narrow-surface overlap welding of PVC foils. Use in conjunction with 9 mm reduction nozzle.

Stock No	Description	Price
199732	Slot Nozzle	8.91

Cutting Nozzle. Produces a concentrated hot air jet for cutting hard foam up to 100 mm thick.

Stock No	Description	Price
199733	Cutting Nozzle	23.86

Plastic Welding Rods. Packs of 4 mm diameter rods for welding 3 different types of plastic.

Stock No	Description	Price
199734	Black Polyethylene	23.32
199735	Transparent Hard PVC	23.32
199736	Natural Soft PVC	9.74

Heat Shrink Tubing. Packs of plastic tubing for butt welding the ends of cables, breaks in cables and cable looms.

Stock No	Diameter	Pack Quantity	Price
199737	2.4 - 4.8 mm	50	7.84
199738	4.8 - 9.5 mm	30	7.84

Makita Hot Air Gun

Industrial quality hot air gun. Features include
- Two air flow and temperature settings (not independent).
- Temperature-limit-control switches off machine in case of overheating.
- Ceramic core protects heating element.
- Soft-grip handle.
- Machine can be set upright for stationary working.
- Supplied with 50 mm wide slot nozzle, 50 mm glass protection nozzle and reflector hook nozzle.
- One year guarantee.
- Supplied in carry case.

HG5002K Hot Air Gun

Makita Hot Air Gun

Industrial quality hot air gun. Features include
- Air flow and temperature can be set independently.
- Feedback system monitors and controls temperature electronically to ensure accurate working temperatures.
- Seven combined settings of air flow and temperature can be stored in memory for instant selection.
- LCD temperature display.
- Ceramic core protects heating element.
- Soft-grip handle.
- Machine can be set upright for stationary working.
- Supplied with 50 mm wide slot nozzle, 50 mm glass protection nozzle and reflector hook nozzle.
- One year guarantee.
- Supplied in carry case.

HG650CK Hot Air Gun

Stock No	Voltage	Power Input	Price
192884	110 V	1600 W	118.95
192886	240 V	2000 W	118.95

Temperature	80 - 650°C
Air Flow	200 - 550 l/min

DeWalt Hot Air Gun

Durable hot air gun for continuous professional operation. Features include
- Compact and lightweight for easy handling.
- Variable temperature control.
- Integral supports for stable bench-mounted use.
- Heating element cools quickly when working temperature is lowered.
- Supplied with glass protector nozzle, spoon reflector nozzle, cone reduction nozzle, slot nozzle and paint scraper.
- One year guarantee.

DW340K Hot Air Gun

Stock No	Voltage	Power Input	Price
190392	230 V	2000 W	45.00

Temperature	50 - 600°C
Air Flow	650 l/min

Sealey Plastic Welding Kit

Kit consists of hot air gun, two specialist nozzles for plastic welding and a pack of ABS welding rods. Features include
- Air flow and temperature can be set independently.
- Electronic control of temperature.
- Three air flow settings.
- Machine can be set upright for stationary working.
- Supplied with 9 mm reduction nozzle and plastic welding nozzle.
- Supplied with pack of ABS welding rods.
- One year guarantee.

HS102K Plastic Welding Kit

Stock No	Voltage	Power Input	Price
197030	230 V	2000 W	119.96

Temperature	50 - 600°C
Air Flow	150, 300, 500 l/min

HS102K Accessories

Stock No	Description	Price
197031	Wide Slot Nozzle	6.36
197032	Glass Protection Nozzle	7.16

197034	Reduction Nozzle	6.36
197035	9 mm Reduction Nozzle	6.36
197036	Plastic Welding Nozzle	8.76
197037	Pack ABS Welding Roads	8.76

Draper Cordless Glue Gun

Cordless glue gun powered by standard butane lighter fuel. Suitable for DIY and craft applications. Features include
- Trigger feed for precise glue control.
- Piezo-electric self-ignition.
- Adjustable flame control with safety lock.
- Continuous use per refill of up to two hours.
- Supplied with 12 general purpose glue sticks (11 mm x 150 mm).
- One year guarantee.
- Supplied in carry case.

CGG1 Cordless Glue Gun

Stock No	Temperature	Fuel Capacity	Price
195532	0 - 200°C	20 ml	29.52

Glue Sticks. General purpose glue sticks, suitable for wood and plastics.

Stock No	Diameter x Length	Pack Capacity	Price
263360	11 x 150 mm	12	3.20

Bosch Glue Gun

Bosch DIY glue gun. Features include
- Electronically controlled heating element for constant working temperature.
- Mechanical feed.
- Long nozzle with heat protection and anti-drip device.
- Wire stand holds tool when not in use.
- Temperature-resistant housing with protective insulation.
- Two year guarantee.

PKP 18E Glue Gun

Stock No	Voltage	Power Input	Price
199800	230 V	200 W	17.01

Gluing Capacity	20 g/min
Glue Stick Diameter	11 mm
Heat-Up Time	7 min

Bosch Glue Gun

Industrial quality glue gun. Features include
- Electronically controlled heating element for constant working temperature.
- Mechanical feed.
- Wire stand holds tool when not in use.
- Temperature-resistant housing with protective insulation.
- Cable-free work possible.
- LED display for mains connection.
- Supplied with universal nozzle, extra long nozzle and wide slot nozzle.
- Supplied with eight glue sticks.
- Three year guarantee if purchase registered on-line.
- Supplied in carry case.

GKP 200CE Glue Gun

Stock No	Voltage	Power Input	Price
199810	230 V	500 W	82.80

Gluing Capacity	30 g/min
Glue Stick Diameter	11 mm
Heat-Up Time	4 min
